1. Reader, Come Home: The Reading Brain in a Digital World (Science, \$1.99)

1. By Maryanne Wolf

2. 4.4/5 stars with 108 reviews

3. A decade ago, Maryanne Wolf's *Proust and the Squid* revealed what we know about how the brain learns to read and how reading changes the way we think and feel. Since then, the ways we process written language have changed dramatically with many concerned about both their own changes and that of children. New research on the reading brain chronicles these changes in the brains of children and adults as they learn to read while immersed in a digitally dominated medium.

2. Minimalist Living: Decluttering for Joy, Health, and Creativity (Personal Development, \$0.00)
